"Licence text:

### **The conditions for using the GHG-CCI CRDP data products are:**

You agree

... to inform us prior to any publication where the data products are planned to be used. Please do this by sending us the manuscript for review before submission for publication to ensure that our data are accurately represented.

... to offer us co-authorship for any planned peer-reviewed publication based on our data products. (For non peer-reviewed publications it is sufficient if you add an appropriate acknowledgement.)

In these instances, please contact the project management (Michael Buchwitz ([michael.buchwitz@iup.physik.uni-bremen.de](mailto:michael.buchwitz@iup.physik.uni-bremen.de)) or Hartmut Bösch ([hb100@leicester.ac.uk](mailto:hb100@leicester.ac.uk))) who will then forward the information to the respective retrieval teams."
